JerShel records of Altus, Oklahoma is the provider of Jackson County Oklahoma records on Canaan Online.

JerShel Records are posted from the Courthouse Land Records (indexes and images). The starting date of our records go back to inception. The records are posted within 1 business day. All names have been posted as last name, then a comma and a space then the first name. For example: "SMITH, GENE". All company names are posted as is. "FIRST NATIONAL BANK". You can also use a wildcard (%) within the name search.

When performing a Section/Township/Range search, be sure to use the N or S in the Township field, but the Range field does not use a direction, just the number.

If you need additional information about our posting procedures, contact John Bailey at 580-477- 0600 or email john@baileysabstractandtitle.com.
